Fabrics and Cutting

	White or WOW (Background)	Cut	1	2" by 5" rectangle
			1	9 1/2" by 5" rectangle
	Any Floral	Cut	2	2" squares
			1	14" by 5" rectangle
			1	11 1/4" by 5" rectangle

Directions: (All seams are 1/4")

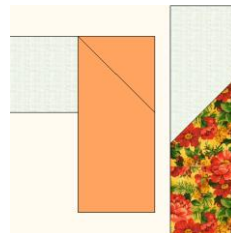

Step 1 Draw a line diagonally on the back of both of the 2" floral squares. Put one on each end of the 2" by 5" rectangle with the lines going toward the corners on the same long side. Sew just to the outside of the line, press toward the unstitched corners, trim.

Step 2 Sew the 14" by 5" floral rectangle on the bottom of the piece you just made. This piece should measure 5" by 15 1/2".

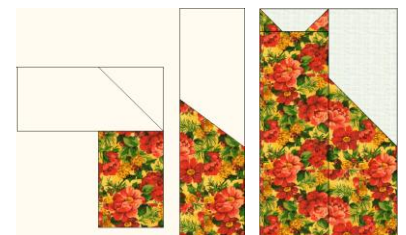

Step 3 Place the 11 1/4" by 5" floral rectangle on top of the 9 1/2" by 5" background rectangle at a right angle, with the corners matching. Sew from the upper left corner of the floral piece to the lower right corner of the background piece (diagonal line on diagram). Press toward the floral. This piece should also be 5" by 15 1/2". If necessary, trim from the floral fabric.

Step 4 Sew the two pieces together, with the section from step 3 on the left, forming the cat block.

Options Follow Step 3, except place the background rectangle on top of the floral rectangle. This is shown in the illustration on the right.

Optional design

Bring to CCQ Program meeting on December 8, 2009.
 Name goes into drawing for each block turned in.
